

HANDS ON HARPS

Presents...

Kimberly Bradstreet

Music Therapist

&

Lisa Lynne

Celtic Harpist

Attendees will have the opportunity to play a variety of World Instruments exploring sound and group dynamics. Discover how to incorporate music therapy into the healing process. During the second half of the event, Lisa Lynne, City of Hope's Musician-in-Residence will join in for a performance on the Celtic harp. Small harps will be available for the hands on workshop to follow.
